Experience an extraordinary occasion of healing, hope and grace. Listen to the story of Fatima and gaze into the eyes of this beautiful statue that set out from Fatima in 1947 to bring the graces of Our Lady of Fatima to all those who would never be able to make a pilgrimage to Fatima, Portugal.

Hundreds of favors and graces, including cures, and countless conversions are associated with the image. The presence of this special Statue is a great gift to our community. Sculpted by Jose Thedim in 1947, it was based on Sr. Lucia's description of her encounters with Our Lady.
