11:00-12:00 am Benediction, good night and farewell to our Lady. \*

\* it could end earlier, if Mr. Stabat needs a good nights rest to travel the next day.

The talks will be adjusted as we schedule with the schools.

This is my dream visit of our Blessed Mother.

The first day would start with Mass and a welcome of her.

The second day would end with an understanding of her plea for penance as we begin our Lenten journey. A springboard into a fruitful Lent.

First night focus: I am the Lady of the Rosary

Second night focus: Our Lady's call for Penance

I am fervently praying for our Lady and our Lord to guide us.
