

The International Pilgrim Virgin Statue Tour

May 1-10, 2025 – Erie, PA Diocese

“Seeing the Pilgrim Virgin Statue is like going to Fatima.”

In 1947, this world famous statue was sculpted according to the specifications of Ven. Sister Lucia, seer of Fatima, by Jose Thedim, the Michelangelo of Portugal. The statue was blessed by Ven. Pope Pius XII on May 13, 1947, causing him to refer to this image as the “messenger of her royalty,” thus becoming the famous “Pilgrim Virgin Statue” known as the “Weeping Madonna”. The custodian of this statue is Patrick Sabat. Let us welcome with immense joy and happiness this beautiful image of the Mother of Our Lord. Our Lady grants many graces and blessings during a visitation. The Blessed Mother through the image of Our Lady of Fatima eagerly awaits your visit so that she may shower you with an abundance of graces as she pleads your cause with her Son Jesus.

History of the International Pilgrim Virgin Statue

Our Lady Set Forth from Fatima to Claim Her Dominion through the Pilgrim Virgin Statue

The world-famous International Pilgrim Virgin Statue (IPVS) of Fatima was sculpted in 1947 by famous sculptor José Thedim. The image reflects the precise instructions of Sister Lucia (the surviving seer at Fatima). Her desire was that the pilgrim image represent Our Lady's position when she revealed herself as the Immaculate Heart to the Shepherds in 1917.

The Spiritual Presence of Our Blessed Mother

In the presence of hundreds of thousands of pilgrims at Fatima, the statue was blessed by the Bishop of Fatima on October 13, 1947. The purpose of the Pilgrim Virgin Statue tours was and still is to bring the graces of Fatima and Our Lady's message of hope, peace and salvation to those many millions of people who may never have an opportunity to make a pilgrimage to Fatima itself.

The Bishop entrusted the statue to John Haffert, co-founder of the Blue Army, and prayed that Mary herself accompany the statue wherever it goes.

On December 8, 1947, the Feast of the Immaculate Conception, the statue entered the United States in Buffalo, NY. The Buffalo police reported that they witnessed the greatest traffic jams in their history when nearly 200,000 people lined the streets to welcome Our Lady. In the intervening two years, under the direction of Monsignor William McGrath, the first statue custodian, the Pilgrim Virgin statue visited more than 50 dioceses in Canada and the United States, filling cathedrals, churches and other venues from Boston to California, from Canada to the Gulf of Mexico.

On May 13, 1951, the statue arrived at Fatima at the close of the Holy Year designated by Ven. Pope Pius XII. Over a million people were there for this solemn occasion. During his radio address, His Holiness remarked: *"In 1946, I crowned Our Lady of Fatima as Queen of the World and the following year, through the Pilgrim Virgin, she set forth as though to claim her dominion, and the wonders she performs along the way are such that we can hardly believe what we are seeing with our eyes."*

A Special Blessing for the Pilgrim Virgin Tours

On October 24, 1952, Ven. Pope Pius XII blessed the statue and imparted a special blessing on the work of the Fatima Pilgrim Tours. Largely through the Pilgrim Virgin Statue tours, Mr. Haffert went on to spread the Message of Fatima worldwide and more than 20 million people signed the Blue Army Pledge. The Bishop of Fatima accompanied Mr. Haffert and the statue custodian on many tours and special "world peace flights." The most famous peace tour occurred on October 16, 1992 when six bishops descended on Red Square in Moscow carrying the Pilgrim Virgin Statue. It was crowned at midnight in front of Lenin's tomb.

An uninterrupted flow of graces and favors have been reported wherever the statue has traveled, including physical cures (which can only be officially pronounced by Church authorities). More important, people are converted and return to the sacraments after many years of being away from the Church.

Sister Lucia Welcomes the Statue

During the Eucharistic Congress Lourdes, France in 1981, the statue remained overnight at the convent in Coimbra, Portugal, at Sister Lucia's request. She remarked afterwards that she had never seen any image which so resembled the actual apparition of Our Lady.

John Haffert reported in his book, "Her Own Words": *I do not hesitate to say that I myself have seen that image change its appearance. I was privileged to accompany the statue to America, with Canon Oliveira in October 1947. On more than thirty occasions the statue has shed tears and once I myself wiped a tear from its cheek. That Lucia found the image "so much like Our Lady" is remarkable. In 1946 I had shown Lucia many pictures of Our Lady, hoping that she would say that one was more like Our Lady than another. She looked at every one of the images with almost absolute indifference. None...not even the most beautiful, resembled the actual vision of Our Lady who was "more brilliant than the sun. Indeed Our Lady appeared to be so beautiful to all three children that they after seeing Her they wanted to die, finding no beauty any longer in anything on earth! I have never doubted that when Sr. Lucia had the Pilgrim Virgin statue in the Coimbra convent overnight, through this miraculous image Our Lady gave her again the experience of Her "presence," even as She conveys this sense of Her "presence" all around the world through this miraculous image.*

The statue has visited more than 100 countries, including Russia and China, bringing the great message of salvation and hope, with her "the peace plan from Heaven," to countless millions of people.

The custody and mission of this world-famous statue is under the auspice of the World Apostolate of Fatima USA – Our Lady's Blue Army - which continues her journeys throughout the world with its principal statue custodian Patrick L. Sabat. psabat@bluearmy.com
